**MOTION AND SUPPORTING MEMORANDUM  
FOR STATUS CONFERENCE**

---

Colonial Pipeline Company (“Colonial”) moves the Court for a status conference with the Magistrate Judge in both of these lawsuits as soon as practicable to address matters related to Colonial’s Motion to Disqualify Metropolitan Nashville Airport Authority (“MNAA”)’s Counsel, and states as follows:

1. Colonial has filed a Motion to Disqualify MNAA’s Counsel in both cases.
2. In connection with the Motion to Disqualify, Colonial intends to file a Motion for Leave to File Under Seal one or more documents.

3. Given the nature of the Motion to Disqualify and the information involved in it, Colonial believes a status conference to discuss how information involved in the motion and any motion to file under seal, and who will be having access to that information, would be beneficial for all parties.

4. Colonial also would like to address the timing and sequencing of any further discovery in these cases in light of the Motion to Disqualify.

5. Colonial requests a status conference as soon as practicable, preferably no later than the week of May 31, 2021.

6. Colonial anticipates the status conference would require no more than an hour of the Court's time.

Respectfully submitted,
